

My Pension Online: The Straightforward Guide

We show you how to access and manage your pension online the quick and easy way. Combine all your pension pots and max out your retirement savings.

HOW TO MANAGE MY PENSION ONLINE

Once you've successfully set up your pension online you'll be able to simply login and take care of everything.

Choose the best dates to start receiving your payments to maximise your pension benefits

Find out everything about your State Pension here: <https://www.gov.uk/get-state-pension>

The Pension Pyramid

You may be able to share some of your pension pot with family. This could include things such as buying a first house and tuition fees.

Live your ideal life after all the prior areas are taken care of

Why not set up a rainy day account to shelter yourself if unforeseen circumstances arise?

On your way towards your ideal retirement you can, of course allow yourself to have a highly enjoyable lifestyle. This could involve holidays, restaurant trips and cultural experiences.

i

Upon retiring you'll probably find that you have to feed your usual household and lifestyle budgets from your pension pot straight away.

Therefore it's worthwhile sitting down to calculate your monthly outgoings so you have a good grasp of how best to manage your finances. We hope you enjoy a long and prosperous retirement!
